## LIEN NOTICE

As required by local and state laws, Builder hereby notifies owner that persons or companies furnishing labor or materials for the construction on owner's land may have lien rights on that land and on the buildings on that land if they are not paid for such labor or materials. Those entitled to lien rights, in addition to the undersigned builder, are those who contract directly with the owner or those who give the owner notice within 60-days after they furnish labor or materials for the construction. Accordingly, owner probably will receive notices from those who furnish labor or materials for construction, and should give a copy of each notice received to his mortgage lender, if any. Builder agrees to cooperate with the owner and his lender, if any, to see that all potential lien claimants are duly paid.
